APPLICATION FOR HIGHWAY PERMIT
(FOR UTILITY CONTRACTORS)

APPLICATION No. _____ Date _____

Road Name _____ Width of R.O.W. _____ ft.

Location of the Work _____

Owner _____ Address _____

Contractor _____ Address _____

Applicant _____ Address _____

Permission is requested to do the following work within the limits of the highway and it is hereby Agreed to do this work in accordance with the "Specifications and Conditions" of the City of Walker. Detailed sketches of the work will be supplied when requested.

If covered under the Telecommunications Act:

This permit is issued subject to the Metropolitan Extension Telecommunications right of Way Oversight Act, Act No. 48 of the Public Acts of 2002, as amended (the "METRO Act") and in accordance with the METRO Act Unilateral Right of Way Telecommunications Permit (the "METRO Act Permit") issued by the City of Walker to "Permittee." This Permit authorizes Permittee to do the work only as described in this Application for Highway Permit. The use of the facilities constructed pursuant to this Permit shall be strictly limited to the provision of telecommunication services authorized by the METRO Act and the METRO Act Permit and, as provided in Section 13.1 of the METRO Act Permit, shall not include "cable service" or the services of an "open video system operator" without a cable franchise.

Work to commence _____ and to be completed _____

The undersigned further agrees that if this application is approved he will meet all legal requirements and that he will be responsible to the City of Walker for any damages to the highway or highway structures or to the structures of any private company within the right-of-way of the highway, and that he shall well and truly pay all damages, fines and penalties which he shall become liable to pay and shall save the City of Walker harmless from all suits, claims, damages and proceedings of any kind due to his operations within the highway.

Signature of Applicant _____ For _____

Approved by _____ of Maintenance Dept. Date _____

Approved by _____ of Building Dept. Date _____

Approved by _____ of Engineering Dept. Date _____

NOTE: The permit holder may be required to adjust the location of their utility in the ROW upon notification from the city that future public infrastructure improvements (road, sidewalk, trail, storm, sanitary or watermain) will require modification to the permitted location.
