**HOMEOWNER AFFIDAVIT**

I hereby certify the mechanical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be installed in accordance with the M.M.C. Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the City Mechanical Inspector. I will cooperate with the City Mechanical Inspector and assume the responsibility to arrange for necessary inspections.

Signature of Homeowner	Date
"Section 23 a of the State construction code act of 1972, Act No. 230 of the Public Acts of 1972, being section 125.1523a of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this State relating to persons who are to work on a residential building or a residential structure. Violators of section 23 a are subjected to civil fine."	EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work.
